

thank-you

NCC

B E E S

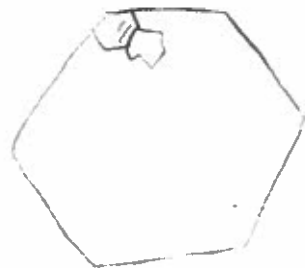

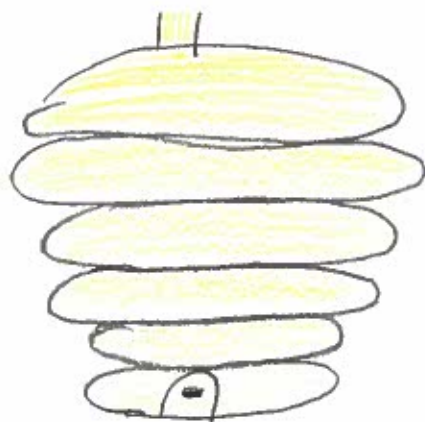

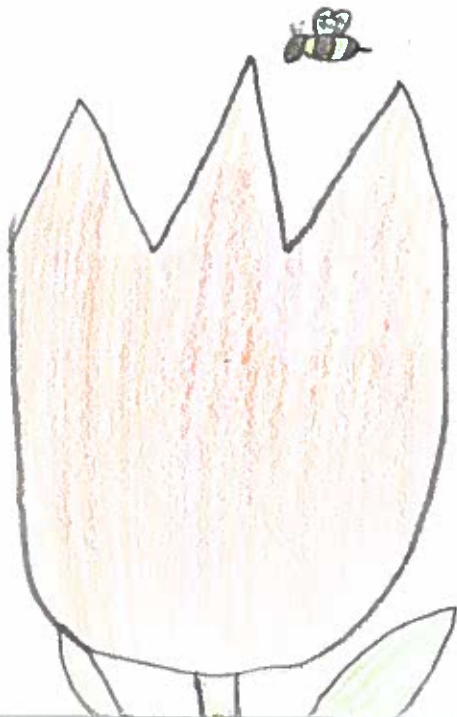

Thank-you for
the field trip
Steven!

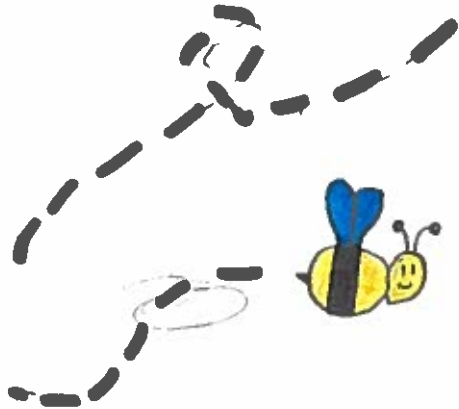

I learned some
flies pollinate too!

I liked
learning
about
bees!

Dear Susan

Thank you for the
free field trip!

I learned that
there are many
kind of bees.

The best part was
seeing the cows!

Thank you!

THANK YOU

STEVEN

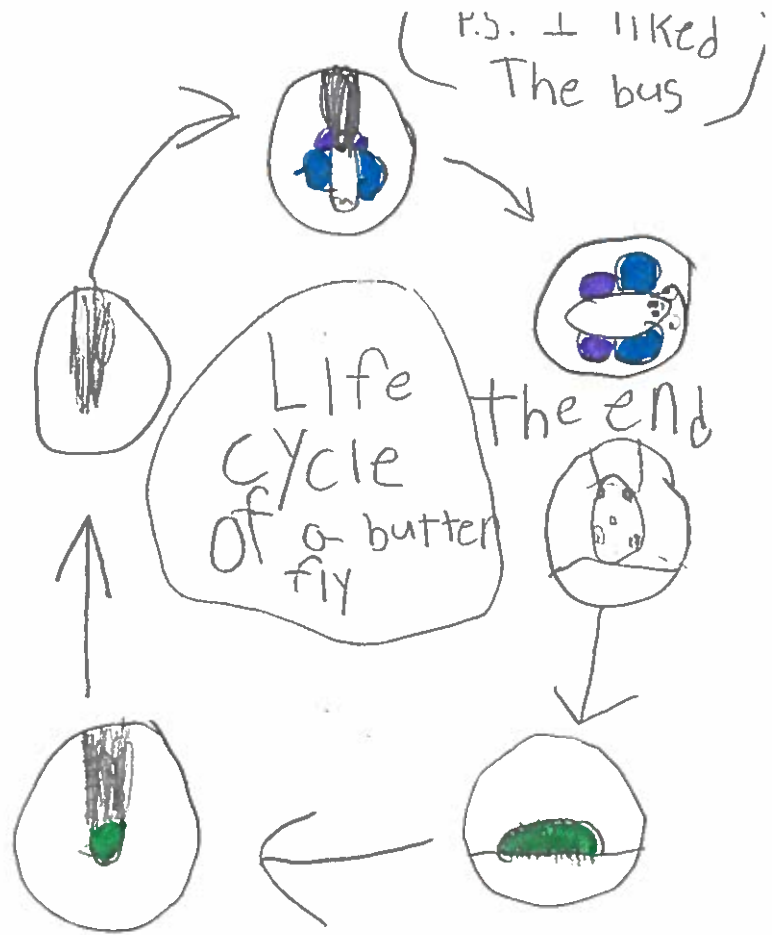

FOR A

CREAT

TRIP

Thank You Steven
for the field trip.
I learned that flies
are Pollinators too.

from: CHS

THANK YOU
STEVEN!

I Learned

that flies are pollinators,
too! and that bees start
as Larvae

I Really liked

when you named
the flowers that we
picked

Thank-you for
booking us the
big bus!!!

Thank-you Steven
for the field trip.

Thank

You *

Steven!

Thank
You

my far favourite part
of the trip was going
on the BUS

Sorry!!!!!!

I Learned that honey
Bees were not from Canada

Thank - you NCC

for the field trip.

I learned that we
have lots of exotic
colored flowers.

I really liked riding
the bus!

Thank - You

Thank-you
Mr. Steven!

I Learned that there
are different kinds of
crops.

My favourite part
of the trip looking for
flowers.

Thank-you
Steven

thank-you

NCC

I learned that flies
are pollinators, I also
learned about more
kinds of bees, flies, and
wasps.

I enjoyed the
field trip, thanks
for making the field
trip so fun for
everyone who went
on the field trip.

Thank you

Bhukh

THANK -

YOU

MR. STEVEN

Thank-You Mr. Steven for
the opportunity to have this
field trip!

I learneded that Bees/wasps
make holes in trees.

Thank you for renting the bus!

The best part was seeing
Cows. And the Bus!

Thank you!

Thank you
Steven & NCC

For the
the field trip!

I learned that we have
lots of different colours of
flowers in Manitoba.

I really liked the morning
walk, and the scavenger hunt.

Thank you.

I really loved
the bus!
