

# **Backus Woods**

#### Closest town/city

Woodstock, ON (approximately 70 kilometres)

#### Contact

1-866-249-9598 ontario@natureconservancy.ca

#### **Seasons**

accessible year-round

## **Property description**

Comprising less than one per cent of the country's land mass, Carolinian Canada is home to 25 per cent of the country's population and provides habitat for nearly 25 per cent of its endangered species.

While here, take in the older-growth Carolinian forest and see a variety of unique Carolinian species, including prothonotary and cerulean warbler, tulip tree and black gum.

#### **Amenities**

cell service, interpretive signage, parking

## **Points of interest**

boardwalks, bridges, fall colours, hemlock ravine, silver maple swamp, sugar shack

#### What to bring

binoculars, bug spray, camera, hat, sunscreen, water

## **Safety alerts**

Potential flooding (February to May) along the northern 1.1 kilometres of floodplain trail. Due to the presence of ticks, wear long sleeves, long pants and light-coloured clothing.
